POST GRADUATE DEPARTMENT OF COMMERCE

National Conference

'Decoding Contemporary Changes Affecting 21st Century
Higher Education In India: In the Context of NEP- 2020'

11th May, 2022

CALL FOR PARTICIPATION

National Education Policy
2020

ABOUT THE INSTITUTION

St. Joseph's College of Commerce (SJCC) was formerly a part of St. Joseph's College, established in the year 1882, is managed by the Bangalore Jesuit Educational Society (BJES). The Commerce Department was established in the year 1949 and it became an independent college with its own building in Brigade Road in the year 1972.

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream.

With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern, and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council composed of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011 SJCC was recognized as a Research Centre by Bangalore University. The college has been ranked 74th in the National Institutional Ranking Framework (NIRF) ratings of Ministry of Education, Government of India, in 2021 and it has been the only college from Karnataka to make it consistently to the top 100 in the country.

The college offers diverse programmes in Commerce and Business Administration faculties. Under the faculty of Commerce, it offers B. Com (Regular), B. Com (Professional- International Accounting and Finance), B. Com (BPS- Industry Integrated), B. Com (Travel and Tourism), B. Com (Analytics), B. Com (Professional - Strategic Finance), M. Com (Finance & Taxation/ Marketing & Analytics), M. Com (International Business) & M. Com (Financial Analysis). Under Business Administration, it offers BBA (Regular), BBA (Entrepreneurship) and BBA (Professional- Finance and Accountancy). The college also offers six one-year Post Graduate Diploma programmes.

ABOUT THE GOLDEN JUBILEE CELEBRATIONS

The year 2022 marks the 50th Anniversary of SJCC's journey as an independent college. In these five decades the college has built a rich legacy as an institution of excellence, providing holistic education to thousands of students. The institutional ethos built around cultural diversity, and constitutional values has shaped generations of Josephites. It has established itself as an institution of great social relevance by adhering to its motto of 'forming men and women for and with others'. Learning at SJCC, defined by the three pillars of SJCC education: Academic Excellence, Character Formation and Social Concern, focuses on its mission to educate and empower the deserving and the marginalized. The notable alumni of SJCC through their commendable efforts in different walks of life have spread the Josephite culture of excellence through hard work centred around concern for humanity.

As part of the Golden Jubilee Celebrations, the college will organize year-long activities which include academic programmes, community outreach activities, staff and student welfare activities, and cultural programmes. These programmes will be a combined effort of the staff, students, alumni and all other stakeholders. The Closing Ceremony of the Golden Jubilee Celebrations, to be held at the end of the calendar year, will showcase the rich academic and cultural legacy of the institution, and the culmination of the Golden Jubilee activities conducted throughout the year.

ABOUT THE DEPARTMENT

The Post Graduate Department at St. Joseph's College of Commerce (Autonomous) was established in the year 2002 with the introduction of M.Com programme. In 2007 M.Com (International Business) was introduced along with Post Graduate Diploma programmes. In 2017 M.Com (Financial Analysis) was introduced to cater to the growing demand for specialized PG programmes. The department has in-house faculty members with doctorates and industry professionals with a vast experience in teaching and research. The challenges imposed by the dynamic nature of businesses have always kept the department updated, both in its curriculum and faculty, to provide state-of-the-art education to the students.

CONCEPT NOTE:

It is evident that the world is undergoing radical changes in the knowledge landscape owing to various unprecedented advances in social science, humanities, science and technology. This is revolutionizing the employment landscape and global ecosystem at a rapid pace. To rise up to this changing universal order and address the country's many expanding development imperatives, National Education Policy (NEP)-2020 is envisioned. This policy is the country's first education policy of the twenty-first century. Through this illustrious and ambitious policy, India strives to create a knowledge system that directly contributes to the country's transition into a global knowledge superpower.

The goal is to create a new system that is aligned with the international standards of education, while remaining consistent with India's traditions, value systems, based on the principle that education must develop cognitive skills, foundational skills of literacy, numeracy and highest order cognitive skills such as critical thinking, problem solving, social skills, emotional skills, soft skills including cultural awareness and empathy among others.

This conference will focus on pedagogy, curriculum development, technology in education, equitable and inclusive education, effective governance, quality in education, and importance of vocational way of knowledge enhancement, among other aspects of the NEP-2020

OBJECTIVES:

1. To understand the change in quality of higher education through Effective Governance in 21st century educational practices with reference to NEP 2020.
2. To evaluate challenges affecting Higher Education in 21st century.
3. To analyze the role of research in Higher Education and the times ahead.

CONFERENCE THEMES

Tracks	Sub-themes
Pedagogy	Present Day Pedagogical practices, Self-learning, Research methodology and research projects as a form of education, Role of corporate internships, social internships as a form of education.
